INDEX TO VOLUME 34 (1987)

AUTHORS—ARTICLES, EDITORIALS, AND FEATURES

Amend, R. H. 34(1)15
Ballard, James C. 34(2)84
Biech, Elaine 34(4)264
Bronson, Judith Gunn 34(3)184
Browning, Christine 34(4)285
Bush, Don 34(1)22
Caernarven-Smith, Patricia 34(4)214
Carliner, Saul 34(1)6; 34(1)11
Clark Malcolm P. 34(4)264
Cohen, Gerald 34(1)37
Corbett, John R. 34(4)225
Doebler, Paul D. 34(4)250
Duffy, Thomas M. 34(2)70
Everson, Larry 34(3)170
Fenno, Charles R. 34(3)146
Firman, Anthony H. 34(2)79, 34(3)132
Fisher, Lou 34(3)150
Floyd, Steve 34(1)8
Garner, Lee 34(1)30
Gingras, Becky 34(1)24
Glenn, John 34(2)102, 34(3)172, 34(4)270
Grice, Roger A. 34(3)150, 34(4)216
Guillemette, Ronald A 34(3)135
Holder, Laurel N. 34(1)19
Hurford, Jeanne M. 34(4)243
Huss, Carol 34(3)142
Krull, Robert 34(4)243
Lawless, Diana G. 34(2)90
Malcom, Andrew 34(2)94
Mullins, Carolyn J. 34(2)68
O'Neill, Stephen P. 34(1)19
Olson, Gary A. 34(1)4
Pearsall, Thomas E. 34(4)216
Pinelli, Thomas E. 34(4)216
Post, Theodore 34(2)70
Ramey, Judy 34(3)150
Reitman, Paul 34(2)101
Ridgway, Lee 34 (3)150
Riley, Betsy A. 34(4)257
Rode-Perkins, Susan L. 34(2)84
Sadowski, Mary A. 34(1)29
Shultz, George E. 34(4)219
Slabbekorn, Morris H. 34(4)257
Smith, Gregory 34(2)70
Smith, Terry C. 34(1)34
Stoner, R. B. 34(1)15
Strassmann, Paul A. 34(4)236
Voelker, Bobbi 34(1)30
Whalen, Elizabeth 34(4)292
Williams, William L. 34(4)264

SUBJECTS—SHORT TITLES

AUDIOVISUAL SCRIPTWRITING

Audiovisual words: the scriptwriter's tools, 34(1)11
Production: turning ideas into pictures and sounds, 34(1)15
Special section on, 34(1)
Visualization: the key to effective scriptwriting, 34(1)8

BIBLIOGRAPHY

Computer graphics, 34(4)263
Productivity measurement and enhancement, 34(4)218

COMPUTER DOCUMENTATION

The coin's other side—the writer as reader, 34(2)102
Online information: what people expect, 34(3)150
Prototyping: method for developing documentation, 34(3)135
Three audiences: anxious, confident, bored, 34(3)170
Writing for non-native readers, 34(4)285

CONSULTING/CONTRACTING

Improving vendor-client relations, 34(2)79
Newsletters: opportunity for technical communicators, 34(2)90

EDITING

Editorial authority and the author, 34(1)19
"Supercorrectness" in technical writing, 34(1)22
Three-cornered hat of the journal editor, 34(4)214
Who says editing can't be fun(ny), 34(1)34

EDUCATION AND TRAINING

Computer training and technical communication, 34(2)68
Simplified English instruction, 34(1)24

FORMAT

Elements of composition, 34(1)29
How to create mass-media print warnings, 34(2)84

FREELANCING

Improving vendor-client relations, 34(2)79
Newsletters: opportunity for technical communicators, 34(2)90

GRAPHICS

Elements of composition, 34(1)29
How to create mass media print warnings, 34(2)84
Productivity improvement through computer graphics, 34(4)257

HUMOR

The coin's other side—the writer as reader, 34(2)102
Mapping a declaration, 34(1)30
The problems facing a new writer, 34(2)101
New STC pubs awards: a preposterous proposal, 34(3)184
Who says editing can't be fun(ny), 34(1)34

MANAGEMENT

Editorial authority and the author, 34(1)19
Improving the productivity of technical documentation, 34(4)236
Increased productivity through effective meetings, 34(4)264
Method of estimating publication costs, 34(4)219
Method to measure productivity, 34(4)225
The problems facing a new writer, 34(2)101
Productivity improvement through electronic publishing, 34(4)250
SPECIAL ISSUE ON PRODUCTIVITY ENHANCEMENT, 34(4)
Using computers to increase productivity, 34(4)243

MILITARY MANUALS

Can flow charts be overdone in manuals, 34(3)172
The process of developing military technical manuals, 34(2)70
Simplified English in maintenance manuals, 34(1)24
Targeting manual readers, 34(4)270

PROFESSIONAL DEVELOPMENT

Certifying technical communicators, 34(2)94
Computer training and technical communication, 34(2)68
The problems facing a new writer, 34(2)101
Running toward professional development, 34(3)142
Writing for publication, 34(1)4

PROPOSALS

Improving vendor-client relations, 34(2)79

PUBLISHING

Productivity improvement through electronic publishing, 34(4)250

RESEARCH

Can computers increase writing productivity, 34(4)243
Online information: report of a survey of preferences, 34(3)150
The process of developing military technical manuals, 34(2)70
User comfort in the electronic office—a survey, 34(3)146

TECHNICAL COMMUNICATION PROFESSION

Certifying technical communicators, 34(2)94
Computer training and technical communication, 34(2)68
Reconciling publications personalities, 34(3)132
Writing for publication, 34(1)4

TECHNICAL WRITING

Audiovisual scriptwriting, special section, 34(1)
Documania: what is is and how to avoid it, 34(1)37
"Supercorrectness" in technical writing, 34(1)22
Simplified English in maintenance manuals, 34(1)24
How to create mass media print warnings, 34(2)84
Newsletters: opportunity for technical communicators, 34(2)90
Using word processor to improve, 34(4)295

WORD PROCESSING

Can computers increase writing productivity, 34(4)243
User comfort in the electronic office—a survey, 34(3)146
Online information: what people expect, 34(3)150
Use your word processor to improve writing, 34(4)295

DEPARTMENTS

Among the Professions

Technical communication and educational technology, 34(2)120
Technical communication and ethics, 34(3)178
Technical communication and information science, 34(4)294
Technical communication and sociology, 34(1)56

Book Reviews, 34(1)42, 34(2)108, 34(3)160, 34(4)277

Computers and Communication

Does this line count, 34(3)165
Got your ears on, 34(1)48
It may be computerized art, but. . ., 34(2)115
Warning: this engineer may be hazardous to your career, 34(4)282

Correspondence, 34(1)2, 34(2)66, 34(3)130, 34(4)212

Current Research in Technical Communication

Actual-use testing for in-house computer manuals, 34(4)289
Online editing and document review, 34(3)180
Research on manual design, 34(1)52
A study of organizational structures for online information, 34(2)124

Editorials

Computer training and technical communication, 34(2)68
Four characters: reconciling publications personalities, 34(3)132
The three hats of the journal editor, 34(4)214
Writing for publication, 34(1)4

Models for Technical Communicators

Remembering *The Reader Over Your Shoulder*, 34(2)128
Some memorable comparisons, 34(3)208
Structure and definition: keys to John McPhee's style, 34(4)296
Tracy Kidder's *House*, 34(1)64

Recent and Relevant, 34(1)38, 34(2)104, 34(3)156, 34(4)272

Slaying the English Jargon

Have you consulted a grammar book lately, 34(2)119
In praise of simple sentences, 34(4)286
Keep it simple, stupid, 34(3)177
Semantics: an adjunct of technical writing, 34(1)54

Technology Reviews

The battle of page-description languages, 34(2)117
Desktop publishing: prewriting program, 34(3)174
IBM desktop publishing: a primer on the state of the art, 34(1)50
Keeping current on desktop publishing, 34(4)288

A Teaching Tip

Rules for acronyms, 34(2)123
Structuring a course around "conciseness," 34(4)291
Teaching collaborative writing, 34(3)179
Teaching "who" and "whom," 34(1)55

SOCIETY NEWS

34th International Technical Communication Conference, 34(1)62, 34(3)185
Abstracts of conference papers, 34(3)195
President's outlook—1986-1988, 34(3)194
President's report—1986-1987, 34(3)188
